

SFB 1064
Chromatin Dynamics

Seminar

Kaspar Burger

Oxford Molecular Pathology Institute
University of Oxford, UK

will talk about:

**"Phospho-isoforms of RNA polymerase
II and Dicer promote the RNA-dependent
DNA damage response"**

Thursday, May 18 / 11:00

Seminar Room GH9-N02.017

BioMedizinisches Centrum, Großhadener Straße 9

Host / Dirk Eick
Contact: eick@helmholtz-muenchen.de
089 - 3187-1512

All interested are welcome!
